Comments:

FB Scholarship Services for K-12

FB Scholarship Services is a broad-based scholarship organization which serves schools all across Pennsylvania. We specialize in providing comprehensive scholarship services, which includes financial evaluation of each family and a proposed tuition assistance amount. Our goal is to financially assist families that choose to educate their children in private and religious schools.

Available scholarship funds are derived solely from donor directed contributions designated to Faith Builders Scholarship Services. We can accommodate EITC donations, OSTC donations, and other types of donations.

Distribution of funds are needs-based according to family size, annual household income, and total tuition. Lower income families (EITC) and families living in low-achieving school attendance boundaries (OSTC) have a higher priority.

Scholarships are available for any student who is a Pennsylvania resident attending a Pennsylvania school.

- The school needs to file a School Application with Faith Builders.
- The family needs to complete a Family Application for the scholarship funds.
- Scholarships for qualified students will be paid directly to the participating school.
- Scholarship funds are available only at schools that have received donor recommended funds.
