Faith Builders RESOURCE GROUP

Mennonite School Services

Mennonite School Services partners with conservative Anabaptist educators to organize services that contribute to the effectiveness of our schools.

EVENTS

Teachers Week

One week of workshops and topics preparing teachers for the coming school year

Retreats/Conferences

Weekends of stimulation and rejuvenation for teachers

PROGRAMS

School Consultation Service

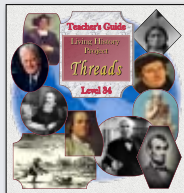

Designed to help school boards and staff who need additional perspective and coaching

School Administrator Mentoring Program

Designed to help new, inexperienced school administrators become proficient in their role, through coaching by an experienced administrator in their geographic area; in development

CURRICULUM DEVELOPMENT

Our current project is the development of a literature-based history curriculum for grades 1-4. This curriculum introduces children to U.S. and World History, with particular emphasis on the people and stories of Church and Mennonite History.

Mennonite Community Services

Mennonite Community Services exists to develop and provide seminars, workshops, and other training opportunities for conservative Mennonite churches.

ON-SITE SEMINARS & WORKSHOPS
