TEACHERS WEEK

EQUIPPING EDUCATORS FOR EFFECTIVE CLASSROOM SERVICE

STUDY

Teachers Week includes content for new and experienced teachers. Content-focused breakout and workshops discuss history, science, math, literature, spelling, Bible, and more.

DEVELOP AS A TEACHER

The impact of a skilled teacher extends beyond the classroom. Teachers Week offers an opportunity to fellowship with other teachers, exchange ideas and experiences, and grow. Topics address issues of classroom management, time management, staff relationships, and discipline.

GAIN VISION

Teaching sustainably requires vision beyond the everyday grind. General assemblies, split sessions, and worship inspire a bigger-picture view of teaching that includes the classroom, school, home, and church.

GENERAL ASSEMBLIES

Four Metaphors for Teachers

Stephan Gingrich

SPLIT SESSIONS: NEWER TEACHERS

Teaching in a Loud World

Joey Shantz

SPLIT SESSIONS: EXPERIENCED TEACHERS

Addressing Students' Frustrating Responses

John Mark Kuhns
